

Charitable Gift Request

Doc Burnstein's Ice Cream Lab donates 10% of its profits to:

- Local Public Schools
- Local Non-profits with a focus on children's education
- Local Blood Drives

If your group fits one of these categories, we are pleased to consider your group among our donation recipients. Detailed information and forms are available on our web site at www.DocBurnsteins.com.

To continue our giving at this level to these important causes, we unfortunately are not able support every worthwhile cause.

For other non-profits, we offer a fundraising opportunity at your non-profit fundraising event. We can sell ice cream to the public at your event and donate 10% of total sales to the non-profit hosting the fundraising event. To inquire about having Doc's sell at your event, please contact Events@DocBurnsteins.com

Additionally, our company owners make many personal donations to other worthy causes each year. Personal donations may be in the form of Gift Certificates, a Gift Basket, or serving ice cream at your event. To be considered for a personal donation from one of the owners, please complete the back of this form.
